MANAGEMENT DISCUSSION & ANALYSIS

The contents stated within this report may be futuristic in nature and may draw the attention of risks and uncertainties. The company would not have full control on risks associated with the new products, services and competitors' positioning. The following discussion and analysis should be interpreted in line with our other statements included herein and the notes thereto.

ACTIVITIES DURING THE FINANCIAL YEAR UNDER REVIEW

The Company Significant player is becoming a fully integrated company. CURA Global GRC solutions pte Ltd, a global operation risk management solution provider, CURA has an interesting track record of serving more than 50 fortune 175 clients with a total customer base in excess of 250 worldwide and operation spanned across US, UK, Australia and South Africa. The company was suitable in all respects of having a strong product, with wide customer base, an experienced management team and operating in multiple geographies. This marks the shift in focus, as mentioned during our last discussion, from a services based company to a product based company.

CURRENT INDUSTRY TRENDS

Global economic meltdown has taken a toll on technology spending worldwide. Corporations have adopted multiple ways to reduce costs and stay afloat. The receding recessionary trends in the last one year have given some organization headroom to relook at technology adoption to build processes that not only identify risks but also mitigate them. Similarly, increasing compliance requirements for public corporations has started to put pressure on corporations to build and make the processes transparent. We would also see some operating policies, procedures and processes mandated to create transparency to all stake holders. We are also seeing an increase in number of operational processes being automated which is increasing the robustness of the product. Compliance and risks are specific to geographies and therefore products in the market place are also turning from being generic to a combination of vertical and geography specific. While spending on technology is on the rise, corporations are judicious in selecting products which brings a hope with a caution. Industry has been dominated with small players till the recent past and consolidation started to take place. Large IT players have acquired small GRC companies and are looking to deploy resources to enhance the product and build the presence in the space. This indicates that the market is gearing up for larger and specialized deployments and competitions would strengthen in the short to medium term. Various government and industry and forums are evolving promoting the importance of risk and compliance and are working closely with all the industry stakeholders to evolve standards in assessment and mitigation. While the industry preparing itself for the next big leap in the next couple of years, is also cautioning on being judicious in planning and developing products that address the immediate needs of the customers.

COMPANY'S PLANS

Taking industry trends in consideration and assessing the internal strengths of the company we have set out an agenda for the current financial year to focus on the following:

- a) Enhancing the product features and drawing up a product road map for the medium term;
- b) Increasing the management bandwidth by building leadership layers to build a long term sustainable growth plan;
- c) Strengthening domain expertise to widen our offering to multiple industries;
- d) Internal organization to create flexibilities in addressing the customer needs faster and better;
- e) Constantly looking for opportunities to strengthen our position in the market place;
- f) While we focus on enhancing our customer base we also focus on the existing customer base for opportunities to broaden our offering and maintain continuity in serving them;
- g) Since the acquisition atmosphere is settled we also plan to strengthen the company operationally and financially.

OPPORTUNITIES AND OUTLOOK

Cost effective base and skilled work force provide excellent opportunities for Indian Companies in general and for CURA in particular. The opportunity is being capitalized by growing outsourcing and number of products going off parent. Over the years, CURA institutionalized competencies that make it a preferred partner for a number of

companies. This could lead to enhanced value creating opportunities in software world through a better leverage of existing relationships and research capabilities.

RISK AND CONCERNS:

Some of the risks and concerns inherent to technology business which CURA may face are as follows

- a) Prolonged financial crisis, that can prolong shyness in Technology expenditure
- b) Cost cutting measures on corporate scale
- c) Cheaper alternative to achieve efficiencies
- d) Inherent lateral integration and subsequent competitive environment

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

We have adequate control procedures in place. The controls ensure optimum use and protection of data, resources and comply with policies, procedures and statutes. The internal audit is conducted to examine and evaluate the adequacy and effectiveness of the internal control systems, appraises periodically about activities and audit findings to the audit committee, statutory auditors and top management.

SEGMENT-WISE PERFORMANCE

The necessary details are given as part of the notes to the financial statements.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The strength of a company lies in its Human Resources and your company is no exception to this universal rule. Your company continuously focuses on recruiting the best talent and also retaining and motivating the talent with them. Further improvements in the work environment and other related areas would be made through a process and metric-oriented approach. Industrial relations of the company remained cordial and peaceful through the year.

INDEPENDENT AUDITOR'S REPORT

To the Members of
CURA TECHNOLOGIES LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **CURA TECHNOLOGIES LIMITED** ("the Company") which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the Order under Section 143(11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its Loss and its Cash Flow for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 and in our opinion and to the best of our information and according to the explanations given to us:

“Annexure B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of CURA TECHNOLOGIES LIMITED (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management responsible for establishing and maintaining internal financial controls base on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

CURA Technologies Limited (CURA' or 'the Company'), having registered office at #12, Software Units Layout, Cyberabad, Hyderabad, Telangana – 500 081, with its presence in 7 geographies of the world is a global enterprise class software application provider for organizations to efficiently manage their Risk, Compliance and Audit framework through an automated process.

2. SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES

2.1 Accounting Conventions:

The financial statements have been prepared under the historical cost conventions in accordance with the generally accepted accounting principles in India including the Accounting Standards notified by the Government of India and issued by the Institute of Chartered Accountants of India, as applicable, and the provisions of the Companies Act as adopted consistently by the Company. All income and expenditure having a material bearing on the financial statements are recognized on accrual basis.

2.2 Use of Estimates:

The preparation of the financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period like provision for employee benefits, provision for doubtful debts/advances/contingencies, allowances for slow/non moving inventories, useful lives of fixed assets, provision for taxation, etc. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results may vary from these estimates.

2.3 Inventories:

Inventories have been valued at lower of cost or net realizable value.

2.4 Cash and Cash equivalents (for purposes of Cash Flow Statement):

Cash comprises of cash on hand, amount in current accounts and deposit accounts.

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.5 Depreciation and Amortization:

Depreciation on Fixed Assets including on the additions on account of revaluation has been provided on a straight-line method as per the useful lives specified in the Schedule II to the Companies Act, 2013.

Intangible assets are amortized over the estimated useful life:

The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization method is revised to effect the changed pattern.

2.6 Revenue Recognition:

Revenue on services contracts are recognized as the related services are performed and revenue from the end of the last billing to the balance sheet date is recognized as unbilled revenues.

Annual maintenance contracts and revenue from fixed maintenance contracts are recognized over the period in which the services are rendered.

Revenue from sale of user licenses for software applications is recognized on transfer of title in the user license.

2.7 Expenditure:

Expenses are accounted on accrual basis and provision is made for all known losses and liabilities.

2.8 Tangible Fixed Assets:

Fixed Assets are stated at cost of acquisition as reduced by accumulated depreciation. All costs including financial costs up to the date of commissioning and attributable to the fixed assets are capitalized apart from taxes, freight and other incidental expenses related to the acquisition and installation of the respective fixed assets and excludes duties and taxes to the extent recoverable from tax authorities.

Fixed Assets which are revalued are stated at the amounts revalued as reduced by the depreciation.

2.9 Intangible assets:

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

2.10 Foreign Exchange Transactions:**Initial Recognition**

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts) of the Company at the Balance Sheet date are restated at the year-end rates.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognized as income or expense in the Statement of Profit and Loss.

2.11 Investments

Long term Investments are stated at cost. Provision, if any, is made for permanent diminution in the value of investments. Current investments are stated at lower of cost or market value.

2.12 Employee Benefits:**a. Short Term Employee Benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages and short term compensated absences etc. are recognized in the period in which the employee renders the related service.

b. Long Term Employee Benefits**Defined Benefit Plans**

The Company accounts its liability for future gratuity benefits based on actuarial valuation, as at the Balance Sheet date, determined every year by actuarial professionals using the Projected Unit Credit method. Actuarial gains / losses are immediately recognized in the Statement of Profit and Loss.

In respect of Provident Fund and Pension Fund, Contributions are made by the Company in accordance with the relevant rules and fully charged off to Statement of Profit and Loss.

The company provides for leave encashment based on valuations, as at the balance sheet date, made by independent actuaries.

2.13 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

2.14 Taxes on Income

Income tax liability for the year is calculated in accordance with the relevant tax laws and regulations applicable to the Company. Deferred tax is recognized on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

2.15 Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's assets. The recoverable amount of such assets is estimated. Where the carrying amount of the asset exceeds the recoverable amount, the impairment loss is recognized in the Statement of profit and loss.

2.16 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made. Contingent liability is disclosed for (i) Possible obligation which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

INDEPENDENT AUDITOR'S REPORT

To the Members of
CURA TECHNOLOGIES LIMITED
Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **CURA TECHNOLOGIES LIMITED** (“the Company”) and its Subsidiaries (collectively referred to as “the Group”) which comprise the consolidated Balance Sheet as at March 31, 2016, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (here in referred as “the consolidated financial statements”)

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the Order under Section 143(11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its consolidated Loss and its consolidated Cash Flow for the year ended on that date.

"Annexure A" to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of CURA TECHNOLOGIES LIMITED ("the Holding Company") in respect of standalone Financial Statements as at March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management responsible for establishing and maintaining internal financial controls base on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly

and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2. SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES

2.1 Accounting Conventions:

The financial statements have been prepared under the historical cost conventions in accordance with the generally accepted accounting principles in India including the Accounting Standards notified by the Government of India and issued by the Institute of Chartered Accountants of India, as applicable, and the provisions of the Companies Act as adopted consistently by the Company. All income and expenditure having a material bearing on the financial statements are recognized on accrual basis.

2.2 Use of Estimates:

The preparation of the financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period like provision for employee benefits, provision for doubtful debts/advances/contingencies, allowances for slow/non moving inventories, useful lives of fixed assets, provision for taxation, etc. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results may vary from these estimates.

2.3 Inventories:

Inventories have been valued at lower of cost or net realizable value.

2.4 Cash and Cash equivalents (for purposes of Cash Flow Statement):

Cash comprises of cash on hand, amount in current accounts and deposit accounts.

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.5 Depreciation and Amortization:

Depreciation on Fixed Assets including on the additions on account of revaluation has been provided on a straight-line method as per the useful lives specified in the Schedule II to the Companies Act, 2013.

Intangible assets are amortized over the estimated useful life:

The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization method is revised to effect the changed pattern.

2.6 Revenue Recognition:

Revenue on services contracts are recognized as the related services are performed and revenue from the end of the last billing to the balance sheet date is recognized as unbilled revenues.

Annual maintenance contracts and revenue from fixed maintenance contracts are recognized over the period in which the services are rendered.

Revenue from sale of user licenses for software applications is recognized on transfer of title in the user license.

2.7 Expenditure:

Expenses are accounted on accrual basis and provision is made for all known losses and liabilities.

2.8 Tangible Fixed Assets:

Fixed Assets are stated at cost of acquisition as reduced by accumulated depreciation. All costs including financial costs up to the date of commissioning and attributable to the fixed assets are capitalized apart from taxes, freight and other incidental expenses related to the acquisition and installation of the respective fixed assets and excludes duties and taxes to the extent recoverable from tax authorities.

Fixed Assets which are revalued are stated at the amounts revalued as reduced by the depreciation.

2.9 Intangible assets:

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

2.10 Foreign Exchange Transactions:**Initial Recognition**

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts) of the Company at the Balance Sheet date are restated at the year-end rates.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognized as income or expense in the Statement of Profit and Loss.

2.11 Investments

Long term Investments are stated at cost. Provision, if any, is made for permanent diminution in the value of investments. Current investments are stated at lower of cost or market value.

2.12 Employee Benefits:**a. Short Term Employee Benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages and short term compensated absences etc. are recognized in the period in which the employee renders the related service.

b. Long Term Employee Benefits**Defined Benefit Plans**

The Company accounts its liability for future gratuity benefits based on actuarial valuation, as at the Balance Sheet date, determined every year by actuarial professionals using the Projected Unit Credit method. Actuarial gains / losses are immediately recognized in the Statement of Profit and Loss.

In respect of Provident Fund and Pension Fund, Contributions are made by the Company in accordance with the relevant rules and fully charged off to Statement of Profit and Loss.

The company provides for leave encashment based on valuations, as at the balance sheet date, made by independent actuaries.

2.13 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

2.14 Taxes on Income

Income tax liability for the year is calculated in accordance with the relevant tax laws and regulations applicable to the Company. Deferred tax is recognized on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

2.15 Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's assets. The recoverable amount of such assets is estimated. Where the carrying amount of the asset exceeds the recoverable amount, the impairment loss is recognized in the Statement of profit and loss.

2.16 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made. Contingent liability is disclosed for (i) Possible obligation which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

The said loan is secured by way of first charge on rent receivables from tenants and further secured by second charge on land and buildings of the Company and personal guarantee of Mr. G Bala Reddy, Director. Further the company has defaulted on payment of the loan and the total outstanding of Rs 10.85 crores including interest is currently due. And due to lack of funds interest payable not accounted, if accounted loss will increase by Rs. 1,75,60,018/-

Note 10.2

During the financial year 2009-10, Cura Global GRC Solutions Pte Ltd - Singapore, has taken a term loan of USD 14.24 Mn from Bank of India, Singapore. Andhra Bank, Hyderabad has given the financial guarantee to Bank of India, Singapore towards 50% of the loan sanctioned by Bank of India, Singapore for which the Company has given a counter guarantee to Andhra Bank, Hyderabad. During the Financial year 2012-13, Bank of India revoked the guarantee given by Andhra Bank, Hyderabad. Consequently Andhra Bank, Hyderabad has revoked the corporate guarantee given by the company and credited an amount of Rs. 26.86 crores to company's secured loan account. The said loan is secured by pari-passu mortgage charge on the Land and Building of the company. The Company has debited the the same amount along with the interest to Cura Global GRC Solutions Pte Ltd, Singapore and accounted under the head Loans and Advances to Subsidiaries. And due to lack of funds interest payable not accounted, if accounted loss will increase by Rs. 5,98,79,879/-
