MANAGEMENT DISCUSSION & ANALYSIS

The contents stated within this report may be futuristic in nature and may draw the attention of risks and uncertainties. The company would not have full control on risks associated with the new products, services and competitors' positioning. The following discussion and analysis should be interpreted in line with our other statements included herein and the notes thereto.

CURRENT INDUSTRY TRENDS

Global economic meltdown has taken a toll on technology spending worldwide. Corporations have adopted multiple ways to reduce costs and stay afloat. The receding recessionary trends in the last one year have given some organization headroom to relook at technology adoption to build processes that not only identify risks but also mitigate them. Similarly, increasing compliance requirements for public corporations has started to put pressure on corporations to build and make the processes transparent. We would also see some operating policies, procedures and processes mandated to create transparency to all stake holders. We are also seeing an increase in number of operational processes being automated which is increasing the robustness of the product. Compliance and risks are specific to geographies and therefore products in the market place are also turning from being generic to a combination of vertical and geography specific. While spending on technology is on the rise, corporations are judicious in selecting products which brings a hope with a caution. Industry has been dominated with small players till the recent past and consolidation started to take place. Large IT players have acquired small GRC companies and are looking to deploy resources to enhance the product and build the presence in the space. This indicates that the market is gearing up for larger and specialized deployments and competitions would strengthen in the short to medium term. Various government and industry and forums are evolving promoting the importance of risk and compliance and are working closely with all the industry stakeholders to evolve standards in assessment and mitigation. While the industry preparing itself for the next big leap in the next couple of years, is also cautioning on being judicious in planning and developing products that address the immediate needs of the customers.

COMPANY'S PLANS

Taking industry trends in consideration and assessing the internal strengths of the company we have set out an agenda for the current financial year to focus on the following:

- a) Enhancing the product features and drawing up a product road map for the medium term;
- b) Increasing the management bandwidth by building leadership layers to build a long term sustainable growth plan;
- c) Strengthening domain expertise to widen our offering to multiple industries;
- d) Internal organization to create flexibilities in addressing the customer needs faster and better;
- e) Constantly looking for opportunities to strengthen our position in the market place;
- f) While we focus on enhancing our customer base we also focus on the existing customer base for opportunities to broaden our offering and maintain continuity in serving them;
- g) Since the acquisition atmosphere is settled we also plan to strengthen the company operationally and financially.

OPPORTUNITIES AND OUTLOOK

Cost effective base and skilled work force provide excellent opportunities for Indian Companies in general and for CURA in particular. The opportunity is being capitalized by growing outsourcing and number of products going off parent. Over the years, CURA institutionalized competencies that make it a preferred partner for a number of companies. This could lead to enhanced value creating opportunities in software world through a better leverage of existing relationships and research capabilities.

RISK AND CONCERNS:

Some of the risks and concerns inherent to technology business which CURA may face are as follows

- a) Prolonged financial crisis, that can prolong shyness in Technology expenditure
- b) Cost cutting measures on corporate scale
- c) Cheaper alternative to achieve efficiencies
- d) Inherent lateral integration and subsequent competitive environment

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

We have adequate control procedures in place. The controls ensure optimum use and protection of data, resources and comply with policies, procedures and statutes. The internal audit is conducted to examine and evaluate the adequacy and effectiveness of the internal control systems, appraises periodically about activities and audit findings to the audit committee, statutory auditors and top management.

SEGMENT-WISE PERFORMANCE

The necessary details are given as part of the notes to the financial statements.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The strength of a company lies in its Human Resources and your company is no exception to this universal rule. Your company continuously focuses on recruiting the best talent and also retaining and motivating the talent with them. Further improvements in the work environment and other related areas would be made through a process and metric-oriented approach. Industrial relations of the company remained cordial and peaceful through the year.

CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members,
Cura Technologies Limited
Hyderabad.

We have examined the compliance of conditions of Corporate Governance by Cura Technologies Limited ("the Company"), for the year ended on 31st March 2017, as stipulated in Clause 49 of the Listing Agreements of the Company with the stock exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination has been limited to a review of procedures and implementations thereof adopted by the Company for ensuring the compliance with the conditions of the Corporate Governance as stipulated in the said Clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and based on the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Clause 49 of the abovementioned Listing Agreements.

We state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of
CURA TECHNOLOGIES LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **CURA TECHNOLOGIES LIMITED** (“the Company”) which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the Order under Section 143(11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its Loss and its Cash Flow for the year ended on that date.

NOTES FORMING PART OF FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

CURA Technologies Limited (CURA' or 'the Company'), having registered office at #12, Software Units Layout, Cyberabad, Hyderabad, Telangana – 500 081, with its presence in 7 geographies of the world is a global enterprise class software application provider for organizations to efficiently manage their Risk, Compliance and Audit framework through an automated process.

2. SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES

2.1 Accounting Conventions:

The financial statements have been prepared under the historical cost conventions in accordance with the generally accepted accounting principles in India including the Accounting Standards notified by the Government of India and issued by the Institute of Chartered Accountants of India, as applicable, and the provisions of the Companies Act as adopted consistently by the Company. All income and expenditure having a material bearing on the financial statements are recognized on accrual basis.

2.2 Use of Estimates:

The preparation of the financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period like provision for employee benefits, provision for doubtful debts/advances/contingencies, allowances for slow/non moving inventories, useful lives of fixed assets, provision for taxation, etc. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results may vary from these estimates.

2.3 Inventories:

Inventories have been valued at lower of cost or net realizable value.

2.4 Cash and Cash equivalents (for purposes of Cash Flow Statement):

Cash comprises of cash on hand, amount in current accounts and deposit accounts.

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.5 Depreciation and Amortization:

Depreciation on Fixed Assets including on the additions on account of revaluation has been provided on a straight-line method as per the useful lives specified in the Schedule II to the Companies Act, 2013.

Intangible assets are amortized over the estimated useful life:

The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization method is revised to effect the changed pattern.

2.6 Revenue Recognition:

Revenue on services contracts are recognized as the related services are performed and revenue from the end of the last billing to the balance sheet date is recognized as unbilled revenues.

Annual maintenance contracts and revenue from fixed maintenance contracts are recognized over the period in which the services are rendered.

Revenue from sale of user licenses for software applications is recognized on transfer of title in the user license.

2.7 Expenditure:

Expenses are accounted on accrual basis and provision is made for all known losses and liabilities..

2.8 Tangible Fixed Assets:

Fixed Assets are stated at cost of acquisition as reduced by accumulated depreciation. All costs including financial costs up to the date of commissioning and attributable to the fixed assets are capitalized apart from taxes, freight and other incidental expenses related to the acquisition and installation of the respective fixed assets and excludes duties and taxes to the extent recoverable from tax authorities.

Fixed Assets which are revalued are stated at the amounts revalued as reduced by the depreciation.

2.9 Intangible assets:

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

2.10 Foreign Exchange Transactions:

Initial Recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts) of the Company at the Balance Sheet date are restated at the year-end rates.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognized as income or expense in the Statement of Profit and Loss.

2.11 Investments

Long term Investments are stated at cost. Provision, if any, is made for permanent diminution in the value of investments. Current investments are stated at lower of cost or market value.

2.12 Employee Benefits:

a. Short Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages and short term compensated absences etc. are recognized in the period in which the employee renders the related service.

b. Long Term Employee Benefits

Defined Benefit Plans

The Company accounts its liability for future gratuity benefits based on actuarial valuation, as at the Balance Sheet date, determined every year by actuarial professionals using the Projected Unit Credit method. Actuarial gains / losses are immediately recognized in the Statement of Profit and Loss.

In respect of Provident Fund and Pension Fund, Contributions are made by the Company in accordance with the relevant rules and fully charged off to Statement of Profit and Loss.

The company provides for leave encashment based on valuations, as at the balance sheet date, made by independent actuaries.

2.13 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

2.14 Taxes on Income

Income tax liability for the year is calculated in accordance with the relevant tax laws and regulations applicable to the Company. Deferred tax is recognized on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

2.15 Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's assets. The recoverable amount of such assets is estimated. Where the carrying amount of the asset exceeds the recoverable amount, the impairment loss is recognized in the Statement of profit and loss.

2.16 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made. Contingent liability is disclosed for (i) Possible obligation which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.
